

Lake Township TRANSFER STATION NEWS

Transfer Station Attendant: Dave Ferris

Hours of Operation

May – October
Saturday & Sunday – 9 am to 4 pm

November – April
Sunday – 9 am to 4 pm
(Except Christmas and New Year's Day)

Current Fees (Effective April 1, 2013)

Up to 21 gallon	\$2.00
Up to 33 gallon	\$3.00
Commercial	\$4.00

There are no fees for scrap metal items or appliances such as stoves, washers or dryers. Refrigerators with Freon are \$20.00 unless tagged certifying Freon removal.

The Transfer Station cannot accept couches, chairs, mattresses, box springs, lumber, concrete, etc. Residents can dispose of these items at the Emterra Environmental landfill in Bad Axe. For prices and times, contact the landfill at 877.609.6753. Residents doing remodeling projects may want to contact a local company to rent a dumpster.

Latex paint may be disposed of along with regular trash as long as it is open and dried out. Miscellaneous items, such as small amounts of shingles, building materials, etc. need to be in a container or bundled and the fee for disposal will be at the discretion of the attendant. Pick-up truck loads of items will

be charged \$20.00 for half a load and \$40.00 for a full load.

Hazardous waste items need to be disposed of through one of the countywide disposal days. Please contact the Huron County Conservation District at 989.269.9540, Ext. 3 for more information and the necessary application.

Our recycle program will continue and we encourage your participation. Recycling is the third Sunday of the month from 10 am to 2 pm. Recyclable items are No. 1 and 2 plastic bottles, tin and aluminum, newspapers, magazines, junk mail, cardboard and boxboard.

Leaves, grass and tree trimmings are also accepted at the Transfer Station during regular hours at no charge.
