

TO: Bathing Beach Operator or Interested Parties

FROM: Tip MacGuire, R.S., Environmental Health Director Huron County Health Department

RE: Bathing Beach Sampling Results

DATE: 6-11-19

Enclosed are the latest bathing beach sample results collected by the Huron County Health Department. A composite sample of the three (3) samples collected in three (3) to six (6) feet of water cannot exceed 300 Escherichia coli (E.Coli) colonies per 100 ml of water. This week, bathing beach samples will be taken on Monday (6-10-19) and Wednesday (6-12-19).

If you have any questions, please contact Tip MacGuire at 989-269-3329.

If you have any difficulty with this communication, please call Andrea at 989-269-3308.

Note: A sampling was taken of the Caseville County Park 6/14/19 and found within limits.
