Old Business:

Quiet Skies Coalition suggested Lake Township contact local elected officials asking for support to oppose the current increase military aviation training proposal over the skies of Huron County. New Business:

Last year Emterra had given estimates for curbside pickup but needed to evaluate accessibility of houses on narrow roads within the township. McCallum questioned if the Board wanted to pursue negotiating with Emterra in order to obtain estimates for review at the July Board Meeting. Other topics to be considered would be recycling and composting availability. Moved by Kelterborn, and seconded by Hartsell to proceed with obtaining curbside costs. All in favor, motion carried.

There being no further business, Collins motioned to adjourn at 10:30 P.M., supported by Hartsell. All in favor, motion carried.

Respectfully submitted,
