RE: Programming Advisory

Dear Ms. McCallum:

We are committed to keeping you and our customers informed about changes to Xfinity TV services.

Xfinity has created an unprecedented ecosystem of diverse content, including permanent, curated On Demand destinations geared toward African American, Asian American, Hispanic, and LGBTQ audiences. We have more than 100 diverse networks on our Xfinity platforms that bring together a wealth of culturally relevant entertainment choices in easy-to-navigate locations.

We empower diverse content creators and have long been committed to using our storytelling platforms to deliver programming representative of the audiences we serve. We've put the full weight of our media resources behind amplifying underrepresented voices, sharing culturally representative stories, and educating our viewers on diverse and inclusive cultures, perspectives, and experiences.

Based on factors that include consumer usage, preferences, and changes in programmer offerings, we are adjusting several of our foreign language program offerings. Please see the attached summary of changes.

Please feel free to contact me at 734-359-2308 if you have any questions.

Sincerely,
