**Correspondence:** Zoning Administrator's report for May 2021; Building Permit report for May 2021. Tory will patrol the Township for ordinance violations and send the necessary letters to the residents. He spoke with Bob Miller regarding target practice and since the Township does not have an ordinance pertaining to this issue, advised Mr. Miller to make a complaint with the sheriff or the DNR.

**New Business:** The PC reviewed a preliminary site plan for a proposed Planned Unit Development (PUD) at 6789 Oak Beach Rd. The property owners Alicia Tatham and Mark Anderson were on hand to answer any questions that the members had. Their plan incorporates a lavender farm, retail shop/wine tasting and the owner's home. Collins was concerned about the lack of lighting in the parking lot area. This may need to be addressed. The procedures for moving forward were discussed, the next step being to schedule a public hearing. The PC members felt that it would be beneficial to have Mark Eidelson, Landplan Inc. look at the site plan and forward his written review to the PC in time for their August meeting. Motion by Lalley, second by Collins to have Mark Eidelson review this site plan. All ayes, motion carried.
