**RE: Programming Advisory**

Dear Ms. McCallum:

As part of our ongoing commitment to keep you and our customers informed about changes to Xfinity TV services, we wanted to update you that Comcast's right to continue carrying Bally Sports channels expired on April 30, 2024. As a result, absent a renewal of the agreement, we are not currently authorized to carry Bally Sports channels as part of our lineup. In your area, the change will impact the following channels:

- 29, 201, 707, 901, 1250, and 1256

We always work to reach deals that make sense for our customers. To date, however, Comcast has been unable to reach an agreement to continue to carry Bally Sports content.

Since we are not currently authorized to carry Bally Sports programming, we have implemented a channel slate (advising of unavailability) on the channel and activated [www.xfinity.com/programmingchanges](http://www.xfinity.com/programmingchanges) to help keep our customers informed during this period. We will continue to provide updates to you and our customers as they become available.

Sincerely,

A handwritten signature in black ink that reads "Brian Sapita".
