**Petitions/Public Comments** – A resident requested the status on the lawsuit concerning STRs. Deming explained the lawsuit was generated when the petitions requesting the adopted STR ordinance be placed on a ballot were determined to be insufficient. The petitioners filed a lawsuit to overturn the

Township's determination. The Township in turn filed a motion to dismiss the lawsuit. The Township's motion to dismiss was granted by the Circuit Court.

Resident wanted clarification as to why he was never offered a committee position within the township after expressing an interest in doing so.

Finally, resident inquired why there is no longer a township picnic. When asked, the resident stated he would be happy to help organize a picnic.

#### **Old Business:**

**2024 Road Work** – After getting updated costs for asphalt, the Huron County Road Commission notified the Township the previously approved paving project would cost \$385,386.42. The previously approved amount was \$360,000. A motion was offered by Deming, supported by Collins, to approve the updated project cost. All in favor, motion carried.

Mary Road was discussed further concerning the congestion on the dead end of the road and the issues this causes the neighboring property owners. It was suggested no parking signs be placed and the property owner in question be notified parking is not allowed.

**Township Hall Project** – The new township hall was discussed. It is in the preliminary stages. At this point, only the property has been acquired. Because it is vacant, no address has been assigned to the property. It is bordered on the north by M25 and on the east by Rivers and Danes. The property is approximately 8 acres. The supervisor has been directed by the Board to seek input from an architect for a conceptual proposal for a hall.

#### **New Business –**

**Comcast Franchise Renewal Agreement** – A renewal of the franchise agreement was discussed. Because the agreement was still being reviewed by the Township Attorney, it was suggested the supervisor contact the surrounding entities to see percentage rates being agreed to. After discussion and due to time constraints for signing the agreement, a motion was offered by Hartsell, supported by Kelterborn, to authorize the supervisor to sign the agreement at a percentage rate comparable to the surrounding area entities and between 3-5%. All in favor, motion carried.

**Firewood Ordinance** – Establishment of a General Ordinance overseeing firewood sales within the township was discussed. A motion was offered by Kelterborn, supported by Collins, to forward the Garage Sale Ordinance to the Township Attorney for review to include a firewood ordinance.

**Payment of Bills** – A motion was offered Hartsell, supported by Collins, to pay the bills with the addition of Sandra Pobanz for hall cleaning. All in favor, motion carried.

**Public Comments** – A resident asked if the decision to build a township hall was to be put on the ballot. The decision to build a hall was a decision of the board. He then asked how the financing of the township hall would be approached. The supervisor stated an additional millage would not be assessed but financing may be necessary for constructing a new hall.

Approved Minutes, Board of Trustees April 15, 2024

He was also informed that a committee was formed in the past to look into the construction of a hall. Currently we have no concrete plans but are in the process of securing such.

A second caller felt the township should be more transparent. Clerk stated he will attempt to be more descriptive when authoring the minutes.

**Adjournment** – A motion was offered by Hartsell, supported by Collins, to adjourn. All in favor, motion carried.

Meeting was adjourned at 8:40 P.M.

Respectfully submitted

Jim Deming
