Consumers Energy requests that the Commission: 1) approve the Credit A surcharges; 2) terminate the proposed Credit A surcharge in relation to its natural gas base rates once base rates reflecting the current tax impacts of the Tax Cut and Jobs Act on the Company's current federal income tax expense and revenue multiplier for its gas utility business are set in a pending or subsequent gas rate case; 3) terminate the proposed Credit A surcharges in relation to the Investment Recovery Mechanism (IRM) once Consumers Energy's 2018 IRM surcharge is no longer in effect; and 4) grant other relief.
