Registration forms can be obtained at [mi.gov/vote](http://mi.gov/vote) and mailed to the Township Clerk. **Sponge Moth** spraying was done again this year along with Hume Township. We are hoping that this second year of spraying will take care of the recent infestation. The State owned land was not included in the spraying.

**ORVs**— The Township continually receives ORV usage complaints. We encourage anyone who has a complaint regarding ORVs to call Huron County Central Dispatch and report your complaint. Owners of ORVs should not allow underage persons to operate the ORV. Rules and regulations pertaining to ORVs is available online at <https://www.michigan.gov/dnr/things-to-do/orv-riding/rules>

**Burning**— If you are burning leaves, a permit is required. Call 989.856.9198 for a burning permit and follow recorded instructions. Burning of leaves is allowed as long as weather conditions are acceptable, but burning of trash is not allowed pursuant to General Ordinance No: 2005-01.

**Champagne Road** resurfacing will be completed this year with the last stretch from M-25 to Yax Road.

## **RECYCLING**

**Recycling** continues to be an issue at the Transfer Station. Our Transfer Station Attendant has advised us that many people are still not following the guidelines for recycling and are including items that should go in the trash and items not clean.

If anyone is willing to donate some of their time during recycling hours to help monitor the recycling drop off site, please contact the Township office. Many other communities were forced to discontinue their recycling programs because of abuse. Lake Township is one of the only townships in the area that still has a recycling program. We would like to keep it going!

Information on what can be recycled is available on the Township website or ask our Transfer Station Attendant. Bins are also available for \$10.00.
